Review and finalize 2020 Applications

2020 Applications

The Trustees reviewed the 2020 Applications that were submitted with the time allotted.

We reviewed 22 applications that totaled \$1,143,445.

The Trustees did a detailed review of all the applications to determine where each submission ‘fits’ in terms of deferral, decline or to have further review/discussion. We discussed that amounts should not be considered until we have a better idea on the income available. We have numbers from October 30, 2020 so we have a starting point. Corporate trustee will reach out again at the end of November to get an up to date income amount. Several applications will now be actioned with letters prepared.

Applications were finalized with the following figures:

Approvals totaled \$691,486 and that includes the \$200,000 COVID Relief fund that was approved earlier in the year. The approvals were approx. double the amount for 2019.
