

CALL FOR PROPOSALS

Due September 24, 2021 – 4:00PM

The Coldwater Trust (ENNET) is currently being evaluated by Innovation 7 and the annual proposal document is under review for improvements and simplification. We will be reaching out to membership for consultation in this regard.

In lieu of the annual application, this Call for Proposal (due on September 24, 2021 @ 4:00PM) will be received in the following manner outlined below:

1. Please prepare a letter of interest – a brief letter of request outlining the amount requested, related costs outlined and time to completion of project (if applicable).
2. Please outline how the proposal has long term benefit to the community (as outlined in the Trust agreement).
3. Please note the primary funding criteria (culture, education, health, etc.)
4. Please note if the request is a band program or an individual funding.
5. Please include contact information – name, phone number, address, email.
6. Please note 'funds payable to' if proposal approved.

This method is only being used for this Call for Proposals while the Trustees continue improving the current proposal process/document for future funding requests.

Please forward completed letters of interest to both Corporate Trustees below via email only.
